

M-m-m Apple Pie!

Apples, apples! Crispy, crunchy,
juicy, sweet, mighty munchy!
Climbing, climbing up so high,
to pick some apples for a pie.
Twist them, turn them, pick them quick.
Pulling hard will do the trick.

Our basket's full, so off we go
to slice the apples, roll the dough.
Add some sugar, spices too
a pinch of cinnamon, that will do.
Bake it, bake it, till it's done.
Apple pie! Yum, yum, yum!

Rhyme Time!

high _____

too _____

go _____

trick _____

munchy _____

Read the poem with a friend.
Circle the rhyming words. Write them
on the lines in the box.

Write a fact in each
apple on page 3 using
the facts on this page.
