

Don't Blink

Betsy Franco

The dragonfly's wings
glimmer and gleam
in the sunny summer sun.

If you blink your eye
as its zipping by
you may miss a most colorful sight.

For its almost as fast
as a hummingbird.
It's known for the speed of its flight.

1. The dragonfly's wings _____ and _____.
2. The dragonfly is a _____ sight.
3. What is it compared to in the poem? _____
4. What is a dragonfly best known for? _____
