

# Famous Teddy Bears

The teddy bear is over 100 years old. Did you know that President, Theodore Roosevelt, was responsible for naming the stuffed bear, Teddy?

Many teddy bears have become very popular and we recognize them by name:

**Winnie the Pooh** is always thinking about eating honey and has many adventures in the 100 Acres Woods with his friends.

**Corduroy** has many adventures in a department store.

**The Care Bears** are a group of bears that take pride in helping others by showing them the best ways to behave.

**Smokey the Bear** has been teaching adults and students about the dangers of forest fires for over 60 years. Smokey is also a teddy bear.
