So what’s a G.A.R.D.E.N. Notebook?

1. A 3-ring notebook that students use every day to develop organizational skills and develop responsibility.

2. It houses EVERYTHING students and parents need to keep up-to-date with what is going on at school.

3. Gone are the days of wrinkled papers and lost notes, newsletters, or calendars. No more searching the house to find paper in order to write a note to school. Everything you need is in one notebook!

So if you want to know what’s “GROWING” in Mrs. T. Wade’s Pre-K/Kindergarten classroom, just look in your child’s G.A.R.D.E.N. notebook.

Please send this book to school with your child EACH day.

HERE’S HOW IT’S ORGANIZED:
**Inside Front Cover**
This will contain your child’s daily behavior: please read and initial each day.

**Reading Words**
This pocket is to be used to keep weekly/monthly reading words.

**Homework**
This page will contain any homework for the day. Please complete the activity and return it in this section to be taken out by the teacher.

**Important Notes**
This pocket will contain important notes from the teacher or school.

**Reading Words**
This section will contain a list of reading and/or spelling words that are “level” appropriate for your child for the month to be studied at home.

**Book Pocket**
Each week your child will select a school library book to read per week. Books should be returned EVERY Friday.

**“A+” Work**
Each day/Friday your child will be bringing home their best work to share with you. These pages are to be kept at home.
