

Habitats

By Meish Goldfish

Home, sweet home!
Home, sweet animal home!
Birds like to rest
In a twiggy nest.
A big brown bear
Prefers a lair.
Bats love to rave
About their cave!
Monkeys swing free
High in a tree!
The tiny frog
Lives on a log.
Chipmunks are found
In a hole in the ground.
Home in a thicket?
A lion would pick it!
The crab lives well
In an empty shell.
A hive will please
A family of bees.
Is your home the home
For dogs or cats?
Animals have many habitats!

1. A brown bear prefers a _____.
2. What would a lion pick for its habitat? _____
3. Bees rhymes with _____.
4. A chipmunk lives in a _____ in the ground.
4. A _____ is a home for bats.

**Draw another habitat and its animal from the poem to the picture above.
