

# Lilly's Purple Plastic Purse

Lilly gets a new purple, plastic purse from her Grammy that plays "jaunty" music when opened and "movie-star sunglasses". She also has three shiny quarters in her purse.

Lilly loves her new purse and she loves school. She especially loves her teacher, Mr. Slinger, who is definitely cool and hip. That is, until he is forced to take Lilly's purse away after she refuses to stop showing it off and disturbing the class. Lilly was furious! She drew a terrible picture of Mr. Slinger and puts it into his book bag when he wasn't looking.

At the end of the day, Mr. Slinger gives Lilly back her stuff and includes a note that says, "Today was difficult", "Tomorrow will be a better day". Lilly realizes how awful she was during the day and the next day she apologizes to Mr. Slinger and takes him some tasty snacks.
