My mom is special because

This is my mom and I.

Unscramble the words above and write them correctly in the petals of the flower. Color the flower. Add a stem and some leaves.
Dear Mom,
Here is a special picture I drew just for you!

I Love You More Than Applesauce
By Jack Prelutsky

I love you more than applesauce,
Than peaches and a plum,
Than chocolate hearts,
And cherry tarts,
And berry bubble-gum.

I love you more than lemonade,
And seven-layer cake,
Than lollipops,
And candy drops,
And thick vanilla shake.

I love you more than ________,
Than marmalade on toast;
For I love pies of any size,
But I love YOU the most.

Fill in the blank in the poem above.

Love,

Directions:
Fold each page in half with the writing to the outside.
Slip the numbered pages in order inside the cover pages and staple along the left side. Having the pages folded instead of cut apart makes them sturdier. Also, you can print the cover page on cardstock to make the book last longer. Cut out the coupons for a coupon book and staple together.
Enjoy!
