

My Snowman

My snowman stood
With a smiling face
His scarf and buttons
All in place.

I snapped my fingers
Just like that---
"Of course", I said
"You need a hat!"
A cowboy hat?
A stocking cap?
A woolen cap of blue?
A tall top hat?
A hunter's cap?
Which one is right for you?

My snowman proud---
As proud can be,
His hat is perfect
Picked by me!
