Circle the opposites in the poem and write them on the lines:

1. ______________________
2. ______________________
3. ______________________
4. ______________________
5. ______________________

The pumpkins are low, the pumpkins are high.
The pumpkins are up, the pumpkins are down.
The pumpkins are in, the pumpkins are out.
The pumpkins are all about.
The pumpkins are everywhere.
The pumpkins are here, the pumpkins are there.

ABC Order

Write the words in ABC Order.

1. ______________________
2. ______________________
3. ______________________
4. ______________________
5. ______________________
