Pets are animals that you have in your home. They can be big or small. They can be quiet or loud. They can have fur, feathers, scales, or smooth skin. Pets can be fish, mammals, birds, reptiles, amphibians, insects, or even spiders! YIKES!

Pets need food and water. It is lots of fun to have pets. You need to keep them clean and take very good care of your pets. You have to play with your pets. People like to watch their pets, or even spiders. YIKES!

My Pets
There are lots of pets in my house.
I have one gerbil and one white mouse.
I have two kittens and two green frogs,
I have three goldfish and three big dogs.
Some folks say that's a lot!

Can you tell how many pets I've got?

Write two things about pets in each box above using the information on page 2.
