But when it's warm, I get very small.
When the weather's cold, I'm strong and tall.
All the snow falling down on me,
I have two bright eyes so I can see,
I'm all snow from my head to my toes,
I'm a happy fellow, here is my nose,
Here is my tummy and here is my hat,
I'm a friendly snowman big and fat,

Draw your snowman.
