Although it seems
That I'm all arms,
Some other organs
Give me charm.
I have a mouth
With which to feed.
A tiny stomach
Is all I need.
And though, it's true:
I have no brain,
I'm still a star—
I can't complain.

By Douglas Florian

Rhyme Time

Circle the words below
that rhyme with feed.

bead
brain
seed
read
arms

Starfish

Some have 10, 20, or even 40 arms.
Most starfish have 5 arms.

They do not have brains or
make new arms or bones.

Starfish are famous for
being able to regenerate or
Starfish live in the ocean.

Some can be very colorful.
Sand dollars and sea urchins

They are closely related to
bones.

They have spiny skin and no

Starfish are called sea stars
