He was big and fat.

He built a house around him called a
chrysalis and went to sleep for a few
weeks.
9.

By and by he became a beautiful
-----!
10.

The Very Hungry Caterpillar sequencing cards

Directions:

Fold each page in half with the writing to the outside.

Slip the numbered pages in order inside the cover page with the folded edge to the outside or right side of the book. Staple the pages together on the left side. Having the pages folded instead of cut apart makes them sturdier. Also, you can print the cover page on cardstock to make the book last longer. Have students illustrate the first page with a large sun. Fill in the blanks with the day of the week, number, and food item for each page. Cut apart the pictures above for each page or have students illustrate each page.

I made this book for my grandson, so thought I would share it with you. Enjoy!!
