

# The Watermelon Patch

We planted some watermelon seeds. The seeds grew into vines. The vines grew flowers and they formed lots of watermelons. We grew 15 watermelons in our watermelon patch. The watermelons are green on the outside and red on the inside. We eat watermelon mostly in the summertime. The watermelon is nice and cold! We save some seeds to plant next spring.

1. Watermelons grow from a \_\_\_\_\_.
2. They grow on a \_\_\_\_\_.
3. Watermelons are \_\_\_\_\_ on the outside and \_\_\_\_\_ on the inside.
4. How many watermelons did we grow? \_\_\_\_\_
5. When do we eat watermelon? \_\_\_\_\_
6. Why did we save some seeds? \_\_\_\_\_

## Story Clues

watermelon

seeds

vine

Let's make other "ine" words.

vine

\_\_\_\_\_ine

\_\_\_\_\_ine

\_\_\_\_\_ine

\_\_\_\_\_ine
