All About Valentine's Day

BY ______________________
Valentine’s Day is celebrated on February 14th each year. This day is for expressing love for sweethearts, family and friends. We give valentine cards, flowers, boxes of chocolates, candy hearts and presents to others.

The giving of valentines started a long time ago in England. The United States began mass producing Valentine cards in 1847. Some symbols of this day are cupids, arrows, hearts, and doves. Popular colors are red, pink and white.
