a den of snakes.

9.

What do you call  
a family of fish?

A family of fish is called  
a school of fish.

10.

Directions:

Fold each page in half with the writing to the outside.

Slip the numbered pages in order inside the cover page with the folded edge to the outside or right side of the book. Staple the pages together on the left side. Having the pages folded instead of cut apart makes them sturdier. Also, you can print the cover page on cardstock to make the book last longer. You can have students color the black and white pictures.

Enjoy!

I got this book idea from the state fair.

There was a man who had trained his geese to follow him around and he called them his "gaggle" of geese. They had bandannas tied around their necks ~ too cute!!
