

What's Bugging Me?

You know what bugs me?
Mosquitoes in the ear
Buzzing out a warning
That an itchy bite is near.

You know what bugs me?
A moth inside a tin
Of sugar after I just ate
Some sugar that it was in.

STOP
BUGGING
ME!

You know what bugs me?
A cricket late at night
Who starts to sing just after
Mommy has turned out the light.
